"I really enjoyed the opportunity to learn more about my community through Leadership Clemson, as well as to meet other people with common interests. The sessions are well-organized and interesting. Even after living her for 28 years, I learned things about Clemson I never knew. We are lucky to live in such a wonderful city!"

Rebecca Eidson
Public Relations Director,
Tri-County Technical College

"What a great experience to gain a greater appreciation for the City of Clemson, neighboring communities, local non-profits and volunteers for the work they do everyday to provide us with the services we otherwise wouldn't have."

Overview

Leadership Clemson aims to turn good people into great leaders, and good leaders into great visionaries. Utilizing a strong individual assessment focus, Leadership Clemson encourages participants to engage as leaders in both the community and the workplace. Existing leaders, emerging leaders, and those just beginning their journey are encouraged to experience the benefits gained from this educational program. Leadership Clemson provides knowledge of the Clemson area, tools to enhance the town and surrounding areas that comprise our community, with workshops and activities geared toward improving leadership skills. Leadership Clemson graduates lead the way to a better, productive future.

Sessions

The Leadership Clemson Class runs from January until June and classes are held once per month on the 3rd Thursday (unless otherwise noted). The sessions will last from 8:00am until 5:00pm.

Attendance

Due to the limited number of classes and the information covered during each session, attendance is mandatory for all classes in order to be considered a graduate.

Class Project

Each year Leadership Clemson takes on a class project. A project that will hopefully leave a lasting impact. The project allows participants to utilize their leadership skills to select, organize, and complete an initiative that makes a tangible difference in the Clemson community. Projects must be completed by June 30th and although time is allotted during each session for project discussion, it may be necessary for the class to meet outside of normal session days and times in order to complete the project.

Tuition

Tuition for Leadership Clemson is \$200, payable to the City of Clemson. The cost of tuition covers all meals, transportation and session materials.

Scholarships

Limited scholarships are available to provide tuition assistance. The scholarships are awarded based on funding needs. Recipients are selected on a first come basis. Please Contact Lindsey Newton for more information.
