Good morning, Jeremiah -- thanks for passing along this updated request! I am going to make one more tweak (hopefully my last) to this request to narrow it down a bit more again. Attaching that below and you can consider this an updated request to get a pricing estimate on ... I am going to remove the parts re: Blondeau and Gantte and narrow my request to emails under these search parameters from the inbox of Halfacre only ...

### NEW REQUEST:

All emails sent to or from Clemson mayor Robert Halfacre's email address ([mayor@cityofclemson.org](mailto:mayor@cityofclemson.org)) -- including emails Halfacre was "copied" on -- from Monday, Sept. 23, 2024 through Wednesday, Oct. 2, 2024 that include any of the following ten (10) keywords:

hurricane, helene, power, football, stadium, stanford, dabo, swinney, neff, clements

Thanks,

Chapel

Chapel,

I treated your earlier revised request on 10/16/24 as a FOIA request and have already begun processing.

I will notify you soon with a response letter.

thanks,

Jeremiah
