Due to the limited number of classes and the information covered during each session, attendance is essential. In order to be considered a graduate of the program, no more than one absence is allowed.

Orientation

Leadership Clemson will kick off the 2023 program with a meet and greet on the evening of January 5th.

Graduation

LPC 2023 Graduation will take place on the evening of May 18th. The ceremony will consist of dinner and the presentation of graduation certificates.

Class Project

Each year Leadership Clemson takes on a class project- a project that will hopefully leave a lasting impact. The project allows participants to utilize their leadership skills to select, organize, and complete an initiative that makes a tangible difference in the Clemson community. Projects must be completed by June 30th, and although time is allotted during each session for project discussion, it may be necessary for the class to meet outside of normal session days and times in order to complete the project.

Scholarships

Limited scholarships are available to provide tuition assistance. The scholarships are awarded based on funding needs. Recipients are selected on a first come basis. Please Contact Lindsey Newton for more information.
