

Conversation with Council Progress Report

as of March 18th, 2022

Meeting Date: March 17th, 2022

Action Item	Status
Do we have plans to stripe West Lane? <i>West Lane is on our current paving contract that was awarded 3.7.2022, we are currently working with the contractor to schedule the work.</i>	Ongoing
Is Berkley Rd. on SCDOT's paving schedule? <i>Berkeley Rd. is currently not on SCDOT paving schedule. If you would like to keep up with the information, SCDOT posts the current fiscal year paving plans at the following link: https://www.scdot.org/inside/pavement-improvement.aspx</i>	Complete
Has there been any discussion with SCDOT about putting in a stop light at the four way intersection on Issaqueena and Cambridge Rd? <i>SCDOT is completing a traffic study of the intersection. At this time we have not heard any information since the request.</i>	Ongoing
How does our noise ordinance address loud vehicles? What actions should a resident take if a vehicle is a nuisance? <i>The City Ordinance regarding noise from a vehicle states: "The operation of a vehicle and/or a sound system of a vehicle in such a manner as to cause excessive noise, whether through grating, grinding, pounding, engine revving, jarring, rattling, vibrations, or other excessive noise is not allowed." To report a disturbance, please contact the Police Department's non-emergency line at 864- 624-2000.</i>	Procedure in Place
Is there a max # of chickens a residence may have? <i>We do not have an ordinance addressing the number of chickens that a residence may have. However, the City's noise ordinance states the keeping of animals or birds that produce frequent or continued excessive noise is not allowed.</i>	Procedure in Place
Can the City do a social media push about the MyCivic App, as well as a "How to Download the App" infographic? <i>Staff will work on putting out more information about the MyCivic App as well as information about how to download the app.</i>	Ongoing

Questions? Contact City Hall at 864-653-2030.
