

Conversation with Council Progress Report

as of June 6th, 2022

Meeting Date: May 19th, 2022

Action Item	Status
<p>Can loud vehicles be cited by plate numbers or cameras?</p> <p><i>South Carolina only allows officers to issue citations when they are an eye witness observer of the violation. We cannot issue citations unless the officer observes the activity taking place in real time.</i></p>	Procedure in Place
<p>There is an AT&T equipment box located at 917 Berkeley Drive that is uncovered and filled with mud. This could cause a service disruption.</p> <p><i>Staff contacted AT&T on May 26th and followed up again on June 1.</i></p>	Ongoing
<p>Do we have signage at 12-Mile to accommodate Spanish speaking visitors?</p> <p><i>We currently have signage at the gate to help people understand how to use the meter but more signage is needed throughout the park. The Parks and Recreation Department is working on a comprehensive signage package for the park.</i></p>	In Progress
<p>Three tethering ordinance proposals were sent to the Police Advisory Board for consideration but only one version was sent to Council to review.</p> <p><i>he Police Advisory Board discussed all proposals and recommended the version they most preferred to City Council for review. The ordinance was discussed at the May 31 Council Meeting where Council requested additional public feedback and alternative approaches to addressing the issue. The ordinance, along with any proposed amendments, will be presented to Council in the near future.</i></p>	In Progress
<p>How many people are using the Friday cardboard pick up program? How can we get more people to participate?</p> <p><i>Residents can call the Public Works Department to have cardboard picked up on Friday's with a 24 hour advance notice. The City also has a cardboard drop off center at the Public Works Facility that is available Tuesday through Saturday. Participation has fallen off since this service began last year. Additional and consistent promotion will be required to maintain high participation rates.</i></p>	Ongoing
